

August 2, 2019

The AIPRO Program Committee is putting together an outstanding agenda for the 11th Annual Meeting, scheduled for **October 1, 2019**, at the Hilton Garden Inn West Little Rock.

One of the association's greatest benefits is the networking and educational opportunities it provides to members through meetings and special events.

I am writing because we need your support. As an integral part of the association, you can champion AIPRO's ongoing mission to be the respected leader and credible information source for all issues related to oil and natural gas in Arkansas by being a meeting sponsor and/or exhibitor.

Enclosed is a listing of this year's sponsorship opportunities and the response form for you to complete and return to the AIPRO office by **August 16**.

We hope you will consider partnering with us as a meeting sponsor or exhibitor to ensure its success!

Please don't hesitate to contact me at (501) 607-4245 or Anna Swaim at (501) 680-5154 if you have questions or need additional information.

All the best,
